DRESS-UP GUIDELINES

HOLLYWOOD Dance-a-Thon

We're excited to see our students dress up as their favorite celebrities for our

Hollywood Dance-a-Thon ON NOVEMBER 19TH!

Because this is a school event for children as young as three, we ask all families to make sure costumes are comfortable, respectful, and appropriate for all ages.

COSTUME GUIDELINES

APPROPRIATE COVERAGE
Clothing that is very short, tight, sheer, low-cut, or revealing is not permitted. Students should be able to sit, dance, and move comfortably.

CHOOSE A POSITIVE CELEBRITY
Please be mindful of the beliefs and values of other families when choosing a celebrity and costume. Select someone whose image and outfit are appropriate for a Christian elementary school event.

NO MATURE CONTENT
Clothing, props, and accessories may not display profanity, tobacco, drug or alcohol references, violence, or other mature themes.

RESPECT FOR EVERYONE
Costumes may not mock or stereotype a person's race, culture, religion, disability, or identity.

SAFE FOOTWEAR
Students must wear athletic shoes so everyone can dance safely!

NO WEAPON-LIKE PROPS
Props that resemble weapons are not permitted.

A QUICK REMINDER

School staff may ask a student to remove an accessory or change an outfit that does not meet these guidelines.

When in doubt, please choose a different outfit or contact the school before the dance.

Our goal is to create a fun, memorable Hollywood experience where every student can shine while helping all of our families feel welcome and comfortable.

Lights, camera, dance!
